Home for the Holidays

During school breaks, many international and out-of-state students are unable to travel to their home. In order to build a stronger Georgia Tech community, the Student Government Association facilitates a program called Home for the Holidays, where families living in the state of Georgia have the opportunity to volunteer to host a student at their home for a Thanksgiving meal. Every year, host families and students come together in the spirit of Thanksgiving and enjoy the holiday with their fellow Yellow Jackets.

If you would like to host a student, or you would like to be hosted for Thanksgiving, apply at:

Please apply by November 15. For questions, email Undergraduate SGA's Chief of Staff, Alice Francis, at acfrancis@gatech.edu.
